Benvenuti!

We are sure by now, you've realized that we do things differently around here.

We are obsessed with the pursuit of the perfect dining experience and want to enrich your day each and every time you visit us!

It is our duty to ask ourselves what each guest will say when they leave Chaise Cafe; What is the story our guest will share with their friends and communities?

We care about your **story** and if you would share it with me, we would love to hear it. Positive stories uplift and give credit when due. Critical feedback gives us the opportunity to improve and to make things right with you.

We will stop at nothing to turn any disappointment into satisfaction. Our purpose is to create incredible dining experiences every time you sit at our table and your feedback helps us to stay on track.

We look forward to serving you,

Chaise Cafe & Lounge
Experience. Dining.

Experience. Brunch.

Sat & Sun, 10am - 2pm
and Holiday Mondays

We serve Family Style Brunch every weekend. A sampling of all foods are served and offered with unlimited seconds.

Our first course is a **Savoury** plate. This includes eggs, 2 types of meat (one always being BACON), a veg option (fresh or sautéed), and a starch component..

The final course is our **Sweet** plate. This includes a variety of brunch favourites. We take sweets like French toast, pancakes, waffles & crepes, dress them up and serve with fruit components that are a perfect way to cap off every brunch!

We always make exceptions for allergies and dietary preferences!
